LUXEMBOURG ART WEEK 2023

MAIN SECTION - STAND B03

From Friday November 10th to Sunday November 12th, 2023

Luxembourg Art Week is the must-see international contemporary art fair in Luxembourg. Through a selection of cutting-edge galleries from around the world, it offers the opportunity for collectors and art lovers to sample the best of contemporary art. The fair also supports emerging galleries, artists' collectives and showcases works at affordable prices.

Collectors, gallerists and artists appreciate the relaxed and convivial atmosphere of Luxembourg Art Week and enjoy the extensive and ambitious cultural programme, including conferences, performances, film screenings, monumental sculptures and more.

Luxembourg Art Week works in close relationships with all major regional institutions and also benefits from the support of the Ministry of Culture and the City of Luxembourg.

An abstract artwork featuring a collage of torn paper and layered colors. The composition is dominated by dark, charcoal-like tones, with patches of bright blue, yellow, and grey. The edges of the paper are jagged and irregular, creating a sense of depth and texture. The overall effect is one of raw, expressive energy.
